MEASURED by his photograph, Judge MANN is very handsome; but his victory over JIM KEHOE will hardly get beyond the picture-in-the-papers stage.

VOTING for the bonds to build a trunk sewer through the Fifth and Sixth Wards, thus securing the Continental Tobacco Company's plant, will do Maysville more good than all the politics this side of the Styx.

THE Honorable CURTIS JETT, late Shoot-master General of Breathitt county, is now making chairs in the Penitentiary. As he has a lifetime job, it is not probable that any one will be anxious to take it away from him.

WHEN Judge HARBESON gets through with his June business at the Courthouse, Maysville will contribute a few more distinguished guests to the Penitentiary at Frankfort. However, there will be plenty left for future disposition.

NOT satisfied with simply running over and bursting his Chairmanship balloon, the Beckham Machine named Judge MANN, Mr. KEHOE's Congressional competitor, as one of the Ninth District Alternates to the St. Louis Convention.

THE recent High School Commencement is acknowledged the most creditable ever occurring in this city. This speaks well for the Faculty, for the Board of Education, for the pupils themselves, and for every citizen of the good old town.

MR. KEHOE now knows how it feels to be run over by all four wheels of the Governor's Frankfort Machine.

EDITOR WATTERSON has again declared that he is out of politics. Senator BLACKBURN and some of the other fellows who opposed Governor BECKHAM are in pretty much the same fix.

WHEN one reads the advertisements of some so-called Doctors, guaranteeing cures of everything from corns to consumption, one wonders that the ordinary Doctors, the Undertakers and the Tombstone Artists are not driven out of business, and why there is any further use in discussing the location of Hell and its climatic conditions.

THE Cynthia Democrat says one of the witnesses who swore that the accused perjurers in the recent Jett-White cases could not get a fair trial in Harrison county was "a Mr. TRUE, an implement dealer from Maysville, who said he had been in the county ten times since January 1st." Now, then, who the deuce is this machine man from Maysville? And The Log Cabin's account says: "A machine agent, who said he had been coming to this county twice a month for five months, stated he had heard a great deal of talk about the perjury cases, although all of the other witnesses on both sides said there had been very little talk about these cases. The machine man said he had heard one hundred people say FRENCH and CALLAHAN were guilty. When asked to name one he could not do so."

Let's see; didn't we read in the papers that the Hon. Blackburnoffski, the Hon. McCrearyski, the Hon. Kehocinski and the Hon. Youngkolofunski were going to break the Beckhamlionski machine, and restore to the Democrateki the right of self-government?

When Painting

You should use a paint that is guaranteed not to peel, crack or chalk off.

ECONOMY

READY-MIXED

PAINT!

Is composed of carbonate of lead, oxide of zinc, linseed oil, dryer and only such coloring matter as is required to produce the various shades. When properly applied this paint will not peel, crack or chalk off; will cover more surface, excel in appearance and surpass in durability all other paints, not excepting pure white lead. If the result is not in conformity with the above the fault is invariably found with the manner of application or condition of surfaces painted.

Seventy-six miners deported from Victor, Colo., were set adrift by the militiamen Saturday on a barren Kansas prairie and left destitute of supplies with a warning not to return to Colorado. Later the miners were driven back into Colorado by a Kansas Sheriff and a body of forty armed deputies. They then resumed their journey on foot to Lamar, Colo. A CONTINUAL STRAIN.

Many men and women are constantly subjected to what they commonly term "a continual strain" because of some financial or family trouble. It wears and distresses them both mentally and physically, affecting their nerves badly and bringing on liver and kidney ailments, with the attendant evils of constipation, loss of appetite, sleeplessness, low vitality and despondency. They cannot, as a rule, get rid of this "continual strain," but they can remedy its health-destroying effects by taking frequent doses of Green's August Flower. It tones up the liver, stimulates the kidneys, insures healthy bodily functions, gives vim and spirit to one's whole being, and eventually dispels the physical or mental distress caused by that "continual strain." Trial bottle of August Flower, 25c; regular size, 75c. Sold by Henry W. Ray, Post-office Drugist.

DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, uric acid, catarrh of the bladder and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital, work and in private practice, and has proved so successful in every case that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are sold by all good druggists. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

SATURDAY NIGHT SHOOTING

John Epard Slightly Wounds William Maher in the Arm

A shooting took place Saturday night at the Palace Saloon in Market street in which William Maher received a flesh wound in the arm from a revolver ball fired by John Epard.

Both men are natives of the place. The wounded man was taken to the office of Dr. H. K. Adamson where he received proper attention.

Epard was arrested by Officers Ryan and Senteney and taken before Judge Whitaker who held him in \$200 bond for his appearance today.

Epard gave bond and was given his liberty.

JUSTIFIABLE KILLING

Grand Jury Refuses to Indict Dryden For Killing Wilburn

The killing of one person by another is a grave and serious matter and is generally condemned. There are times, however, when a peaceable citizen's life is in jeopardy at the hands of a notorious character; it is then, in defense of his own person in taking a life, that his act is sanctioned and condoned by the Courts as well as approved by public opinion.

The recent killing of Russell Wilburn by Policeman Rufus V. Dryden has been thoroughly sifted by the recent Grand Jury and he has been acquitted of any offense against the Commonwealth. It is well.

A policeman, who performs his duty in a satisfactory manner, has an onerous, dangerous and thankless position to fill. There are localities and dark places in this city that at times—especially after nightfall—it is exceedingly risky for a policeman to tread.

Let an officer once weakened in the time of peril in the presence of the gang and his usefulness ever afterward is gone.

It is to the interest of public morals and good citizenship to hold up the hand of the police in their effort to keep and maintain good order.
